IN THE UNITED STATES DISTRICT COURT FOR THE DISTRICT OF NEW JERSEY

IN RE: JOHNSON & JOHNSON TALCUM POWDER PRODUCTS MARKETING, SALES PRACTICES AND PRODUCTS LIABILITY LITIGATION	)	MDL Docket No. 2738
This Document Relates To All Cases	)	

THIS MATTER having been brought before the Court during the May 6, 2020 status conference, and pursuant to the Court's May 15, 2020 Order regarding Stage One – Plaintiff Profile Forms and other case-specific discovery, and for good cause shown:

IT IS on this 26th day of May, 2020,

ORDERED that:

Case List

The numbered list of cases pending in this MDL proceeding as of May 1, 2020 and from which 1,000 shall be randomly selected (the "Selected Cases") is attached hereto as Exhibit A.

Random Selection

Random selection of 1,000 Selected Cases from the cases listed on Exhibit A shall proceed as follows:

1. Utilizing the Third-Party Draw Service available on Random.org (https://www.random.org/integer-sets/), Judge Pisano or his designee shall generate a list of 1,000 random numbers and provide the parties with a site-generated timestamped print out and an electronic copy of the list of 1,000 random numbers.

2. To identify the Selected Cases, Judge Pisano or his designee shall compare the timestamped list of 1,000 random numbers against the numbered case list attached hereto as Exhibit A. For example, if number 301 is drawn via the Random Integer Set Generator, case number 301 on Exhibit A is one of the 1,000 Selected Cases.

3. Once the matching process described in Paragraph 2 is complete, Judge Pisano or his designee shall provide the parties with the final list of 1,000 Selected Cases. The list shall be numbered 1 – 1,000, and include the case name, civil action number, filing law firm, and random draw number.

4. Within 48 hours of receipt of the list of 1,000 Selected Cases, the parties shall review and advise Judge Pisano in writing of any issues or discrepancies. Otherwise, the list of 1,000 Selected Cases shall be deemed final.

5. Thereafter, within 3 days, the parties shall submit to the Court a proposed Order identifying the Selected Cases and discovery shall proceed as outlined in the Court's Order of May 15, 2020.

Plaintiff Profile Form, Authorizations, and Records

6. Within 90 days of entry of the Order identifying the Selected Cases, plaintiffs in each of the Selected Cases shall : (1) produce a fully complete and verified Plaintiff Profile Form, the form of which is attached hereto as Exhibit B; (2) produce executed medical record retrieval authorizations, the form of which is attached hereto as Exhibit C; and (3) promptly order and produce core records pursuant to Paragraph 2 of the May 15, 2020 Order.

7. The parties shall meet and confer on the process for service of the discovery described in Paragraph 6. This discussion shall not stay or delay the 90-day deadline for service which, as set forth above, will run from the date of entry of this Order.
